Disclaimer / Responsibility for usage

The Renter agrees to use the equipment, in an appropriate, lawful manner, for the intended purposes of staging and operating a road race (or a similar event). They agree to maintain the equipment's appearance and condition. Payment (in full) is due at the time of physical equipment exchange from Renter to Vice President (hereafter implied as GLRR), unless other approved arrangements have been made with GLRR. While normal wear & tear is to be expected, if items are lost or damaged beyond repair, Renter will owe GLRR the Cost of Replacement indicated above. The Renter will not alter, modify or attach anything to the equipment unless the alteration, modification or attachment is easily removable and does not damage the functional capabilities or value of the equipment. Renter shall return equipment to GLRR offices within seven (7) days of the Event Date noted above. Any items not returned beyond this 7 day period will subject Renter to additional service charges of \$50 for each 7 day period beyond the event date noted above. This fee structure reflects the 'opportunity cost' to GLRR, since they are unable to rent out that equipment to other Renters during the retention period. This policy applies to all renters regardless of whether or not rental fees were reduced/waived. Any modification to these policies, including partial/full reductions of equipment rental cost is at the sole discretion of GLRR.
